Dear Collector:

It is with great pride that we present you with this copy of our special exhibition catalog 'One Thousand Years of Ancient Greek Vases' illustrating 195 ceramics and featuring the prestigious Patricia Kluge collection. The price list (following pages) should clearly emphasize our attractive and competitive pricing. In addition to these many fine vases we feature an extensive inventory of Greek, Etruscan, Roman, Byzantine, Egyptian, and Near Eastern antiquities, one of the largest and most comprehensive collections of the ancient arts ever offered for sale. Send for our current catalog. Our 57 years of expertise and connoisseurship in the ancient arts and 69 years in classical numismatics stand behind our guarantee of authenticity and fine quality.

You are cordially invited to visit our New York galleries to inspect our constantly changing inventory of over 2000 fine works of ancient art and to become acquainted with our friendly staff and many services. At no obligation we would be pleased to arrange a private viewing with guidance on a sophisticated, long-term program of collecting and investing in the fine arts.

Additional copies of this catalog are available upon request and will be mailed without charge.

We look forward to hearing from you!

Cordially,

Jerome M. Eisenberg, Ph.D.  
Director

F. Williamson Price  
Associate Director
